CLASS DESCRIPTIONS, SUMMER 2021

OUTDOOR YOGA

60 minutes (2-3 classes/week, when weather allows)

Perfect for anyone interested in nurturing self in nature, while aligning your body, energy, breath and mind from the ground up in a breath-driven flow. Expect a combination of lengthening and stabilizing postures to help improve balance and flexibility, and breathwork to steady the mind. Open to all levels.

OUTDOOR YOGA FOR BEGINNERS @ Watkins Glen Yacht Club

60 minutes (1 class/week)

Ideal for those new to yoga, beginners or anyone interested in learning the alignment and foundational elements of each posture, *without* moving through a breath-driven flow. Modifications will be offered to accommodate physical limitations or concerns and each student is encouraged to move at their own pace. Open to all levels.

SLOW FLOW (*virtual*)

60 minutes

An energy-based, breath-driven slow flow practice focused on foundational postures, alignment and breath work. Expect a combination of lengthening and stabilizing postures to help improve balance, flexibility and functional movement on and off of the mat. Open to all levels.

VINYASA (*virtual*)

75 minutes

An energetic yoga flow practice that is designed to raise your internal heat and awareness of connection between the breath and movement. Intermediate level postures will be introduced and modifications will be offered, making this class accessible to anyone with basic yoga experience.
